## **Installation Instructions:**

To check the installed version of software go to settings>about and review

## **Install Process for Over-The-Air (via F-Link app) update:**

1. Open the Fusion-Link™ app on your compatible mobile device.
2. Go to Settings>User Settings>Update and press "Check For Updates".
3. "SRX400" will show up and press it to download the latest software update.
4. Once downloaded, press "SRX400" again and a prompt will show up to "Send Update to Stereo", click "Send" to send the update to your SRX400.
5. The update will take about 2 minutes. Press "OK" when the "Update is Complete" prompt is shown.
